## Notice to All Adopters CPRM Compliance Rule Modification

1. Add the following note at the end of section 1.2 “Authorized Recording Method” of the 4C CPPM/CPRM License Agreement Exhibit C-3a.

NOTE: Each of the recording methods listed above shall not be considered an Authorized Recording Method for any Participating Product manufactured for sale in a country in which passing Decrypted CPRM Video Content to that recording method would be in contravention of a governmental or quasi-governmental regulation or equivalent.

2. Add the following note at the end of section 4.1.1 “Authorized Secure Digital Outputs” of the 4C CPPM/CPRM License Agreement Exhibit C-3a.

NOTE: Notwithstanding anything to the contrary, for each of the Authorized Secure Digital Outputs listed above, a Participating Video Player manufactured for sale in a country in which passing Decrypted CPRM Video Content to that digital output in a form that would permit copying would be in contravention of a governmental or quasi-governmental regulation or equivalent, such Authorized Secure Digital Outputs shall be limited to output of Decrypted CPRM Video Content for display purpose only.

3. Add the following note at the end of section 1.2 “Authorized Recording Method” of the 4C CPPM/CPRM License Agreement Exhibit C-3b.

NOTE: Each of the recording method listed above shall not be considered an Authorized Recording Method for any Participating Product manufactured for sale in a country in which passing Decrypted CPRM Video Content to that recording method would be in contravention of a governmental or quasi-governmental regulation or equivalent.

4. Add the following note at the end of section 4.1.1 “Authorized Secure Digital Outputs” of the 4C CPPM/CPRM License Agreement Exhibit C-3b.

NOTE: Notwithstanding anything to the contrary, for each of the Authorized Secure Digital Outputs listed above, a Limited Resolution Video Player manufactured for sale in a country in which passing Decrypted CPRM Video Content to that digital output in a form that would permit copying would be in contravention of a governmental or quasi-governmental regulation or equivalent, such Authorized Secure Digital Outputs shall be limited to output of Decrypted CPRM Video Content for display purpose only.
